AirMedCare Network® Membership Brings Peace of Mind and Financial Protection to Hawaii Residents

(HONOLULU – August XX, 2025) AMR Hawaii now offers Hawaii residents access to the nation's largest air medical membership program, the AirMedCare Network®. AMCN provides members with financial protection from out-of-pocket costs for emergency air ambulance transport when flown by participating providers such as Hawaii Life Flight or REACH Air Medical Services.

Even with insurance, the cost of an air transport can leave families with substantial bills. AMCN membership eliminates these unexpected expenses, covering deductibles, co-pays and coinsurance and, in certain circumstances, up to the total cost of the flight.

“In a medical emergency, every second counts. Our network providers ensure patients receive rapid, life-saving care when they need it most,” said Myles DeCoito, AMCN Membership Sales Manager. “With an AMCN membership, families can focus on recovery instead of worrying about the financial burden of air medical transport.”

Key Membership Benefits Include:

- No out-of-pocket costs when flown by an AMCN provider.
- Household coverage, membership extends to all residents under one roof, regardless of relationship.
- Discounted Teladoc access starting as low as \$3 per month plus co-pay.
- Nationwide protection, valid across 320 locations in 38 states.

AMCN also offers workplace membership plans, helping Hawaii businesses provide this essential benefit to employees at a discounted rate. Businesses with as few as three employees are eligible, with pricing as low as \$50 per membership depending on group size.

Membership Rates:

Standard: \$99/Annually | \$9.99/Monthly

Senior(60+)/Discounted: \$75/Annually | \$9.99/Monthly

AirMedCare Network is trusted by more than 3 million members nationwide, ensuring timely, equitable and appropriate healthcare access for those living in both rural and urban areas.

Membership is available directly to households
